Correction of the exercises

Exercise 1 (02:08)

The building **was smashed** by the Hulk.

The enemy tank **was destroyed** by Iron man.

The villian **was discovered** by The Flash.

The city **was saved** by Green Arrow.

The ground **was struck** by Thor.

Exercise 2 (3:30)

Wonder Woman **lassoed** the villians.

Deadpool **ate** a sandwich.

Hawkeye **shot** an arrow.

The last sentence cannot be transformed into the active, as it is NOT a passive sentence. Explanations:

- *"The fish" do the action of the verb "talk" → it's an active sentence.*
- *The auxiliary "be" is here used because we are in the past progressive. All continuous tenses need the auxiliary "be", but are followed by an –ING verb.*
